**WiZiQ...**

**This is a web-based, teacher-powered platform for teachers who want to teach students online or network with other educators world-wide.**

**Membership: free.**

**Online tools used through WiZiQ:**

**Teaching:** Synchronous [live] and asynchronous teaching through Virtual Classroom, Online Tests, Content Sharing and Messaging System.

**Administration:** Online Classes, Online Tests, Educational Content, Contact and Payment Management.

Teachers can schedule online classes with students -- all private and secure. Invitations only! Interact with students learners and educators around the world. Pick who may watch online class recordings. Communicate using audio, video, text chat, shared whiteboards, presentations, documents, multimedia files through a virtual classroom that is free!

Oh yeah... You can embed the WiZiQ virtual classroom on your website or blog. WiZiQ can make incorporating 21st Century Learning Skills and national technology skills into standards-based lessons.
